

## VB Missed Meeting Fines

**Purpose:** The data for meeting attendance suggests that most officials attend our regular meetings. Except for an emergency, these officials are present for both meetings year to year. However, the data also shows distinct patterns for some officials. These officials patterns include never attending an end of The season meeting, missing both meetings in a season, and a few other combinations. These fines are intended to improve chronic absences.

Attendance Records will be kept over **two years** for fine purposes.

Pre-Season Meeting/End Of Season Meeting Same Season	1 <sup>st</sup> Missed Meeting	\$25
	2 <sup>nd</sup> Missed Meeting	\$50
Pre-Season Meeting/End Of Season Meeting Following Season	3 <sup>rd</sup> Missed	\$100
	4 <sup>th</sup> Missed	Removal

If an official does not notify the chairperson that they will be absent within 7 days of the end of the season meeting, the official will be charged the price of the dinner.
